October Fun

October is Fire Safety Month

We were very fortunate to once again have a visit from our local firehouse. The firefighters showed the students their uniform and parts of the fire truck. They explained all the different equipment that they use and talked about how everyone can stay safe if there is a fire. The teachers had fun activities and worksheets to supplement the learning experience.

On Friday, October 30th, there will be a Halloween Dance. There will be a costume contest. There are plans for a Haunted House in the gymnasium. It will be a fun afternoon.

Club Highlights

Fridays are fun in New Providence. All the students will be participating in a 4 week rotation fitness club. Some of the activities are step aerobics and carpet square dancing.

OT and Speech are continuing with last year's successful relaxation club. Students are exposed to various levels of relaxation activities. It is anticipated that all students will have an opportunity to try these enjoyable activities.

CURRICULUM CORNER

Arlene & Claudine

We would like to welcome you to a new feature of the DLC newsletter called the Curriculum Corner.

This is a great opportunity to introduce you to some of the exciting new curriculum and programs we will be emphasizing this year. This will also give you the opportunity to send us some of your questions and comments regarding the curriculum.

We are very excited to share information with you and we look forward to communicating with you.

Please send your questions to us at:

Arlene Goldman, Supervisor of Instruction
