Club Highlights

Friday afternoon is a time for leisure and social clubs at the DLC-Warren. All students have an opportunity to participate in activities with groups of peers who may not necessarily be their classmates. Activities include girl scouts, art, exercise, sports, relaxation, board games, and dance.

One sports club consisted of students playing a game of whiffle ball. In addition to learning the rules of the game, students learned how to keep score and maintain good sportsmanship. Relaxation club provides a group of student's time to lower their heart rates while learning to hold some common yoga poses such as the Peaceful Gorilla and the Clam Shell. Relaxation is always a great way to end the school week.

Pet Visitation

We recently had some new visitors from St. Hubert's come to our school. Nick, a beautiful golden retriever, and his friend Zeno, a sweet beagle, provided our younger age students an opportunity to meet, pet, and learn about dogs. The students were excited about the dog visit and are looking forward to seeing them next month when our intermediate age students will have their turn to meet with our new friends.
