Thank you, parents and PROP, for your generous luncheon for Teacher Appreciation Day! Everything was wonderful and very much appreciated!

DLC Happenings

Autism Walk

April was Autism Awareness month and students at the DLC-Warren prepared banners displaying facts about autism. Due to inclement weather, students walked around the gymnasium and track area in support of individuals with autism. Each of the banners was creative, informative and beautiful. The banners will remain displayed in the gym throughout the month of April.

Variety Show

Students of all ages performed during the Second Annual Variety Show. The Variety Show took place on April 8th at DLC-Warren under the direction of Brian Dailey, music teacher, and Tommy Peitz, art teacher. There was singing, instrumentals, acting, and dancing. The show featured a skit about bullying performed by students in the Comic Book Club and two students performed on the piano. It ended on a high note with three students using the Nintendo Wii to perform a dance routine. The show was a great success!

Curriculum Corner

Arlene & Claudine

Administration and staff have been working hard to enhance our current DLC Family Life Curriculum. The curriculum is designed to teach students about self awareness, relationships and safety. We hope to pilot the family life curriculum during this summer's extended school year program.

Pinewood Derby

DLC-Warren students will be participating in the 2nd Annual Pinewood Derby on May 31st and June 1st. The Boy Scouts of America provided all of our DLC students with wooden cars to decorate before the races. Students in the secondary program prepared the cars by assembling the wheels on the vehicles for the entire school. Students will race their cars in the gymnasium on their scheduled time. It will be fun to watch the cars race and applaud for the winners.

Boutique

The Spring Boutique was a great success. Secondary age students worked really hard making and packaging this year's products. A variety of new items were sold this year. Silk-screened aprons and hand towels were a big hit. Ceramic business card holders were produced by students and made great gifts. Everyone did a great job and we appreciate all the support we received from our DLC families
