April 28th Champions for Autism Celebration Dinner

February 22, 2010

Dear Families and Friends of the Developmental Learning Centers:

It is with great pleasure that I invite you to join us this spring for a celebration of the Developmental Learning Centers' families, as we gather in recognition of the special role they play in supporting children with autism.

Our *Champions for Autism Celebration Dinner* will be held on Wednesday, **April 28th**, at **The Berkeley Plaza** in Berkeley Heights. In addition to an exquisite dinner, the evening will include music for your dancing pleasure, as well as a very special musical performance by students from the Developmental Learning Centers. We will also present our *Champions for Autism* awards to the family of Carla Provenzano, a Developmental Learning Center parent, and to Ted M. Beal, member of the Board of Trustees of the Autism Education Foundation of the MUJC, each of whom has given much of themselves and much to our community.

The *Champions for Autism Celebration Dinner* will be raising funds for the **Autism Education Foundation of the MUJC**, which supports the programming and staff of the Morris-Union Jointure Commission's Developmental Learning Centers in New Providence, Union, and Warren. As fundraisers go, we are already off to an excellent start, thanks to the generous donation of the catering facility by the Berkeley Plaza owner, James Wolklin.

Dinner tickets—both individual tickets and tables of 10—are available for purchase. You may purchase a table of 10 even if you do not anticipate being able to fill all the seats. The vacancies can be made available to families from our DLC community. In addition to dinner tickets, the accompanying registration form also presents a wide range of dinner journal sponsorship opportunities for your consideration. We look forward to your participation and thank you in advance for your generosity.

As a community, we are fortunate to have such a breadth of strong and nurturing families, whose love and commitment is truly worthy of our recognition. We hope you agree and look forward to seeing you on April 28th.

Thank you for your consideration.

Sincerely,

Robert F. Tokash, President
Autism Education Foundation of the MUJC
