Work Related Disability Pay

3425 WORK RELATED DISABILITY PAY

The Board of Education will make salary and wage payments required by N.J.S.A. 18A:30-2.1(a) for service connected disability. The statute generally provides that whenever a steadily employed or tenured employee is absent as a result of a work-related personal injury, the employing board shall pay the employee's full salary or wages, less the amount of any workers' compensation award for temporary disability, during the period of the work-related absence for up to one calendar year without charging the employee's annual or accumulated sick leave.
