Despite the national and global pandemic, the U.S. Department of Education did not waive any of the procedural safeguards and timelines required by the Individuals with Disabilities Education Act (IDEA). This online inservice will address the best practices in dealing with the unavoidable delays resulting from school closures and the inability to conduct in-person meetings and evaluations.

Participants will gain knowledge and skills in:

1. procedural safeguard and timelines,
2. determining which violations impact FAPE,
3. best practices to limit potential liability,
4. mediation and/or due process hearings.

This inservice is online from 10:00 a.m. to 12:00 p.m.
