This in person inservice will highlight some of the most prevalent issues that can lead to a lack of agreement from parents. The number of speech sessions, whether to provide OT consult versus direct service, the method of reading instruction, aide support or a dedicated aide, transportation, in class support or replacement instruction are issues that can stop an IEP meeting before consensus is reached.

The CST training series inservice #1 is on October 20, 2021 and the CST training series inservice #2 is on November 3, 2021. Please see those inservice dates for details.

It is strongly recommended that participants attend all three inservices in the CST training series; however, participants may attend each individually.

This inservice is in person from 9:00 a.m. to 12:00 p.m.
