Designing NJTSS systems at the secondary level poses a unique challenge with the varied structures of middle, junior, and high schools. This online inservice will provide tips and tricks to explore all the opportunities NJTSS offers for secondary students.

Participations will gain knowledge and skills in:

1. understanding the latest research in MTSS for secondary schools,
2. learning about successful MTSS implementation models at the secondary level,
3. exploring facts and myths about MTSS at the secondary level,
4. discussing ways to reform academic and behavior practices at the secondary level,
5. analyzing current secondary MTSS frameworks and how to provide interventions in tier 1, 2 and 3.

This inservice is online from 9:00 a.m. to 11:00 a.m.
