This in person inservice identifies the impact that social and emotional behaviors have on academic performance. Learn how to implement responsive interventions. Explore how to achieve healthy classroom environments within supportive school climates.

Participants will gain knowledge and skills in:

1. learners' challenges and triggers to implement responsive interventions;
2. learners' metacognition with realistic, timely, and specific feedback;
3. collaboration with students, colleagues, and families.

This inservice is in person from 9:00 a.m. to 3:00 p.m.
