September 3, 2020

Dear DLC Parents:

We had a wonderful DLC school opening this week and it was a joy to see the smiles (behind their masks) on our students' faces! I hope that you are as thrilled with our opening as we are!

The Westfield Regional Health Department, which is the MUJC's local health department, recently released a notification regarding "acceptable" face masks. Attached please find a photograph by the Westfield Regional Health Department of both "acceptable" and "unacceptable" masks. Please ensure that the masks you regularly send in for your child are one of the "acceptable" forms of masks. If you previously sent in masks that the health department now determines are "unacceptable," please replace them at your earliest convenience. Students who do not have an "acceptable" mask will be provided with a disposable mask until an "acceptable" one is sent in. Thank you, and here's to a great new school year!

Sincerely,

A handwritten signature in cursive script that reads "Janet L. Fike".
