ONLINE - PARENT AWARENESS WORKSHOP

Putting the Pieces Together: Inclusion and Least Intrusive Supports

This online workshop will provide participants with the opportunity to better understand key concepts when including students with disabilities in schools and why implementing the least intrusive supports is essential for developing student independence. This workshop will focus on:

- the benefits and importance of fostering independence, autonomy and inclusion with students of any age;
- the importance of implementing least intrusive academic and behavioral supports when including students with disabilities;
- three ways to make the IEP process more inclusive, individualized, and person-centered.

Presented by:

Michelle Lockwood, Positive Behavior Support Specialist
New Jersey Coalition for Inclusive Education
