

Morris-Union Jointure Commission
DLC Student Survey for Return to School
September 2020

The MUJC is working to provide a safe and healthy return of your child to the DLC in September. It is very important to know if you plan on sending your child back to DLC in September or if you are planning on having your child remain at home due to the concern regarding COVID-19. According to CDC guidelines, staff will be in masks, using PPEs, social distancing, and washing hands frequently. When DLC students are onsite for instruction at DLC, we will be requesting that they wear masks provided by the parents, socially distanced, and have a schedule for frequent hand washing. Your input is very important regarding our return to school program. Please answer each of the following items and submit the form by emailing it to studentsurvey@mujc.org, faxing it to 908-464-1244, or mailing it to Student Survey, Morris-Union Jointure Commission, 340 Central Avenue, New Providence, NJ 07974 by **July 20, 2020**. Thank you.

Student Name _____

Parent Email _____

1. What DLC does your child attend?
 New Providence
 Warren
2. I would send my child to DLC in September if the instruction was 5 days per week onsite at the DLC.
 Yes
